Hallo

SENSATIONS GROUP

TRANSFORMING SPACES INTO EXPERIENCES

YOUR LOCAL **BOOTH BUILDERS**

Who we are

Two Decades of Expertise

At Sensations Group, we bring clients' stories to life with over 20 years of expertise in booth construction and retail solutions. Our commitment to excellence has made us a trusted partner for agencies across the world.

Global Presence, Seamless Execution

With Sensations Worldwide in Europe, Sensations Exhibits in the US, and Sensations Displays operating globally in retail solutions, we ensure seamless execution and exceptional results across the globe.

Tailored Strategies for Impact

We craft tailored, practical strategies that elevate clients' brand and create impactful, memorable experiences. Rejecting a one-size-fits-all approach, we customize each solution to meet every unique need.

Group Companies

Sensations Worldwide SP. Z O.O.

Sensations Exhibits LLC

Booth Constructor GmbH

Sensations Marcom Pvt. Ltd.

Key Expertise

Custom Booths

Tailored solutions for a unique brand presence.

Technology

Using our technology and equipment, we craft immersive experiences for your clients.

Modular Booths

Flexible, scalable, and sustainable setups for various events.

Retail Solutions

Comprehensive production of high-impact retail spaces that enhance customer engagement.

Event Production

Providing end-to-end support for seamless execution, from planning to dismantling.

Our Process

Initial Consultation

We collaborate with our clients to fully understand the design and requirements.

We design booths by aligning with client vision, streamlining logistics, and delivering clear timelines.

Planning

Production

Boasting the state-of-the-art production facilities and cutting-edge machinery, we handle the construction and assembly effortlessly, ensuring highest-quality result.

Our experienced team ensures efficient and precise installation, adhering to deadlines and client expectations.

Installation

On-Site Support

During the event, we provide dedicated on-site support with a project manager overseeing the process, ensuring smooth operations and providing quick solutions.

Warehouse & Production facilities
